homestayfriend in  
association with   
COLLEGE

The logo for Stow College features the word "Stow" in a stylized, blue and red font, with "COLLEGE" in a smaller, blue, sans-serif font below it.

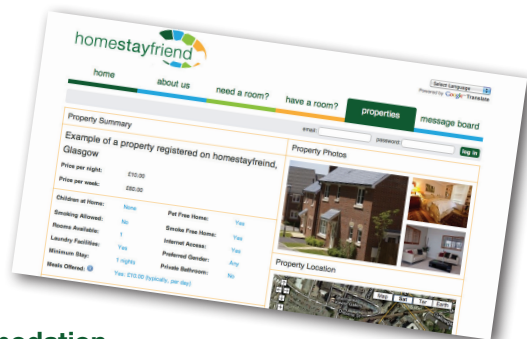

# accommodation for you

**homestayfriend** works in partnership with local colleges throughout Scotland to provide short-term accommodation for students. Stay with a host family in a warm, safe and friendly environment.

We have a wide range of accommodation available to meet your needs.

- It's free to register and browse our properties
- We check all accommodation to make sure it meets with our company standard\*
- You get to live in a Scottish home and experience real Scottish culture
- You stay with a host and get to know the local area
- You will have all the comfort and security of a family home
- You can stay with an English speaking family and improve your English skills
- You can stay from 1 night to 100 nights depending on your needs

check out our easy to use website with homestays throughout Scotland

## How to search for accommodation

- 1 **visit** [www.homestayfriend.com](http://www.homestayfriend.com) and register for free
- 2 **search** through our property database for a host near your college
- 3 **contact** a host using the website to see if they can take your booking
- 4 **book** online to secure your stay
